Suffolk County Legislator Tom Barraga (R-West Islip) recently met with the Director of West Islip's Library, Andrew Hamm, to thank the library and the community for their continued support in making the Back Pack for Pirates a success once again. "In a time when families are struggling to provide food and basic necessities for their own families, the outpour of support for this program truly is a testament to the generosity that exists in our community." said Legislator Tom Barraga.
